PERMIT NUMBER:
The subject property is located within: 100-Year Flood Plain Coastal High-Hazard Area in Flood Zone
The Base Flood Elevation (BFE) of the subject property is feet above mean sea level (NAVD 1988, 2001 ADJ.)
PERMIT APPROVED BY: DATE:

	NO	
Note: Checked box(es) below Indicate Applicable Permit Conditions:		
	The above-described residential structure in an "AE" Flood Zone shall have its first floor constructed at least one (1) foot above the Base Flood Elevation (BFE) as indicated above. The Finished Floor Elevation (FFE) must be constructed at or above feet (mean sea level, based on the NAVD 1988, 2001 Adjustment).	
	The above-described non-residential structure in an "AE" Flood Zone shall have its first floor constructed at or above (or Flood- proofed below) the BFE. FEMA Form 81-31 (Elevation Certificate) shall be completed and submitted if the structure is to be flood-proofed.	
	The above-described residential or non-residential structure (located in a "VE" Flood Zone) shall have the bottom of its lowest horizontal member located at least one (1) foot above the BFE and breakaway walls shall be constructed below that level.	
	All structures must be situated as shown on the approved Site Plan and constructed as designed in the approved building plans so as to minimize potential flood damage. Submit FEMA Form 81-31 (Elevation Certificate) upon completion of construction.	
	Water supply and sanitary sewage collection systems must be constructed as designed in the approved plans to prevent intrusion of or contamination to flood waters.	
	The above-described mobile home shall have its first floor situated at or above the BFE. Submit completed FEMA Form 81-31 (Elevation Certificate) after mobile home has been placed.	
	This permit is approved for the above-named mobile home situated only at the existing Mobile Home Park listed below:	
	Special Permit Condition(s):	

CONDITIONS OF FLOOD PLAIN DEVELOPMENT PERMIT

## Notice to Applicant:

Proposed updates to FEMA's Flood Insurance Rate Map (FIRM) may affect your property. It is the City's desire to provide you with sufficient notification prior to the formal adoption of these updates to allow you the opportunity to plan, design and construct improvements accordingly.

Applicants are encouraged to review FEMA's "Preliminary" FIRMs as they relate to their specific property. The FIRMs are posted on the Planning & Development Department's website at:

La Porte Website - Maps
